

Empowering The Next Generation to Make Disciples Who Make Disciples

GO AND MAKE DISCIPLES

It Is Their Mission Trip

"They are powerful vessels. They have a position and place in ministry, and we as the Church need to make room for them."
—DeAnn Noyes

They Are Capable of Anything

"I have enhanced my belief that children are capable of anything. God is limitless and can equip anyone to do anything if they accept God's will." —Janet Bergen

Seeing Is Believing

"Seeing the whole program work, working together—it truly is a mighty work of the Holy Spirit. I will go home trusting the Lord more to let loose and watch." —Lou Duncan
