

### **Doors Are Opening Worldwide** *by Dr. Clint May*

We covet your prayers for this ministry. As you can see from our newsletter, the Lord is on the move in the lives of children and students. It is an honor to serve the Lord in this capacity and witness God's powerful move in kids' lives today. What a joy it is to cast the vision with leaders worldwide. It is difficult to describe or wrap my mind around what the Lord is doing, but He is in control, and I want to follow His leadership. As you read through this newsletter, please pray for these different ministry opportunities and the children and students involved.

### **L.I.T. Missionaries from Piedras Negras, Mexico, Are Heading to Honduras**

God has been preparing and equipping our hearts alongside Vine and Branches Ministries with the L.I.T. vision for several years. God has now called us to train pastors and leaders in Honduras with the L.I.T. discipleship model. We are excited about this invitation and the opportunity to empower the local church to reach, disciple, and release the next generation for Christ.

### **Seventy-Five Professions of Faith in North Carolina**

L.I.T. hosted a mission trip in Fuquay Varina, North Carolina this past week. There were 39 leaders and students from three churches who took part in the trip, and they led 75 people to Christ. Praise the Lord! A special thank you to Russ Zacek for his tremendous leadership. Russ is our Regional Director for L.I.T. in North Carolina.

## Children In Odisha, India, Are Being Reached and Released to Share the Gospel

We have had the privilege of sponsoring training in Odisha, India. We have equipped leaders who are now reaching children and equipping them to share the Gospel. This is in the Hindi region of India, where children are being equipped to share the Gospel. We are looking for sponsors to cover the cost of our next training event. If you would like to sponsor our next training event for 25-30 pastors/leaders, the cost is \$450.

## Two Trainings in Ivory Coast Were So Powerful by Isaac Mphande

The two trainings were so powerful, and I thank God for the success of the Empowering the Next Generation conference in Abidjan and the Way of the Disciple conference in Assinie. L.I.T. Ministries is growing in Africa and

around the globe. We praise God for this great work. Along with Heidi Hayslip, we had the opportunity to share the gospel and preach the Word of God to about 2,000 children and parents. What a joy to minister to all those kids, and they were dressed in traditional clothes of African countries and regions. *(In the picture to the right are Isaac from Zambia, Heidi from the USA, Charles from Ivory Coast, and Pam from Nigeria.)*
