

L.I.T. MINISTRIES
Empowering The Next Generation

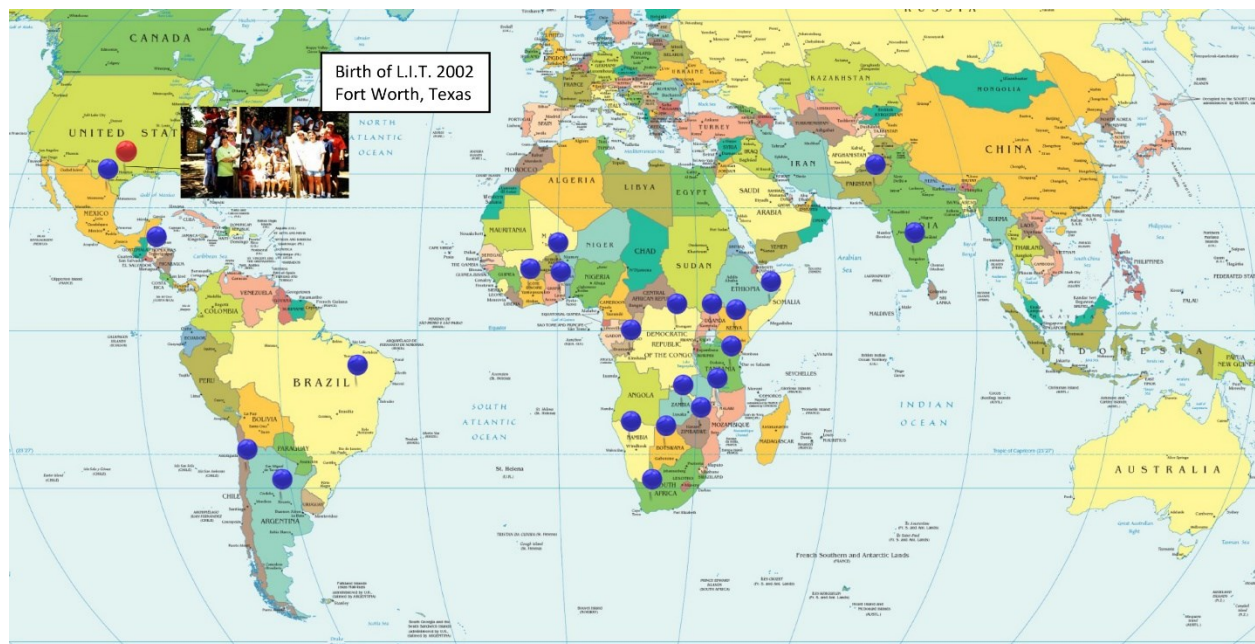

November 2024

L.I.T. Has Truly Become an International Ministry

Since 2015 when we felt the Lord leading us to give away our curriculum to our overseas brothers and sisters, L.I.T. has expanded into 18 more countries! It has indeed become an international ministry. But with this growth comes a real need for more funding and more staff. We pray to increase our monthly contributions by \$7,400 (\$100,800/year). We have raised 14% of this goal already. Would you pray and consider becoming a monthly donor so that L.I.T. can continue to grow and help make young disciples who make disciples around the globe? Let's reach the children together!

L.I.T. Growth from 2002-2024

Good Things Come to Those Who Wait by Dr. Clint May

For the past ten years after I went full-time with L.I.T., the Lord has taken the ministry to places I could not have ever imagined—from Fort Worth, Texas, to Africa and beyond in less than ten years. It is hard to explain. We have waited on Him for the support staff we need to sustain our growth. He is answering. **Heidi Hayslip** is working with us in partnership with Go To Nations Ministries. She will assist with our work in Africa and the 10/40 Window.

I have also been praying about who would lead in the U.S. and our work here, and the Lord has answered. I will announce this person's name in January 2025. I have known him for the past five years, and he is a tremendous person of integrity who has fully embraced the vision of L.I.T. In the Lord's perfect timing, He has provided. Please prayerfully consider joining us on this amazing journey to reach, disciple, and release young missionaries of the Good News of Christ.

Launching Our New Website Soon

We are excited about our new website. It will be a tool to empower leaders to reach and disciple children worldwide. We are very grateful for **Rachel Jackson** as she designs our new site. Keep checking back regularly for updates and the launch of this much-needed mode of communication and promotion for the ministry.

We Are Heading to Zambia

After much prayer, we believe it is time to take an African trip. Our target country for the trip will be Zambia. The dates we have chosen are September 12-24, 2025. At this point, we are setting the dates and hope to have further details soon. If you would like to join us, please email clint@leadersintraining.com.

Prayer Points

Praises

For the Lord's provision for the ministry. We must thank the Lord for providing the funding for our new website, our trip to the Ivory Coast, and so much more. We have seen the Lord move in mighty ways through your prayers.
