

PRETEENS

Mission:

To Empower The Next Generation

Vision:

We recognize the uniqueness of every child. We are committed to reach them with the Gospel of Jesus Christ and to disciple, equip, and release them for ministry in the church and as missionaries in the world.

L.I.T.'s primary focus is to raise a generation of preteens who are surrendered to Christ, who serve in His church, and who reach the world as missionaries. L.I.T. takes preteens through four effective steps that bring transformation in their lives and equip them for ministry and missions.

FAMILY: L.I.T. provides tools to train parents properly. These tools help them prioritize their child's spiritual life as number one in their home. Parents help their preteen develop spiritual disciplines through a personal quiet time habit. Through learning these disciplines, L.I.T.s learn how to walk with Christ daily.

DISCIPLESHIP: Through L.I.T. small group materials, the disciple group leader models the Christian faith by joining preteens on their spiritual journey. The leader moves from teacher to mentor and equipper of preteens in their group. They help L.I.T.s find their spiritual gifts and allow them to express their gifts during their disciple group time.

MINISTRY: Every believing preteen has a calling to minister using their spiritual gifts today. L.I.T. provides training that helps the local church be creative in involving preteens in ministry. Churches that have embraced this model have preteens who are teaching, running technical equipment, leading small groups with young children, leading out in children's worship services, and much more.

MISSIONS: The Great Commission applies to all believers in the body of Christ, including children. L.I.T. provides the tools and training to equip preteens to become missionaries in their homes, neighborhoods, and schools. These proven tools have been used to mobilize thousands of preteens as missionaries in their world.
